To Whom It May Concern:

It is with pleasure that I provide a letter of recommendation for Mr. David Bull, for any position in which he is qualified. He continues to be an excellent Head Start Director with Adrian Public Schools and I have had the privilege of working with him for the last nine years.

In my work with Mr. Bull, I have found him to be a professional, competent individual, with a genuine concern for educational excellence for all students. He has developed a strong educational program and manages communication with stakeholders extremely well.

Mr. Bull will excel in any task given to him with integrity, honesty, and dedication. I strongly believe that he will be an asset to any organization that hires him.

If you would like to further discuss this letter, please feel free to call me at my office (517) 264-6645.

Sincerely,
