RE: Dave Bull

To Whom It May Concern:

Dave Bull has been committed to the education and development of our early learners for the last twenty years. He worked with our program in the Jackson, Hillsdale area and then was hired as the Director of Lenawee County Head Start. Dave has not only provided excellent leadership in this position he has spent countless extra hours insuring that our community was engaged and informed of the importance of his program. Dave and I participated in the SPARC Family Literacy training (Strengthening Partnerships and Resources in Communities) in Chicago put on by the National Head Start Family Literacy Center where I had the opportunity to observe Dave's planning and organizational skills. I am confident that he will continue to excel at anything he chooses to be involved in.

Very Truly Yours

  
Burt A Fenby  
Lenawee County Director
